about the American Num. Society
and how to join.

Coursely

Theo. Bergman.

March 24, 1931

Theo. Bergman, Esq.

Box 28, Station L.

New York City

Dear Sir:

Responding to your letter of March 23rd, requirements for Associate Membership in this Society are an interest in the subject supported by references of two or more individuals as to your personal qualifications. I take pleasure in enclosing a card and trust we may have your application before the next meeting of our Council at which it would normally be submitted, on April 10th.

Very truly yours,

Secretary.
